Dear Mr. Rankin:

This letter is in response to your April 6, 2018, appeal under the Freedom of Information Act (FOIA), 5 U.S.C. § 552.

- On September 20, 2017, you requested a full copy of the BIRLS Death File from the Department of Veterans Affairs Veterans Benefits Administration (VBA).
- On January 9, 2018, VBA denied your request under FOIA Exemption b6.
- On April 6, 2018, you appealed to our office stating that the BIRLS Death File 1850 to 2010 was already publically available on Ancestry.com, but that you were requesting a copy of the entire file including the years subsequent to 2010.
- After receipt of your appeal, we contacted the VBA FOIA Office and discovered that they were unclear on which office or entity within VA was the custodian of that record.

We have determined that the custodian of record for the BIRLS Death File is the Veterans Health Administration (VHA) and not VBA. Accordingly, we are referring your FOIA Request/Appeal to the VHA FOIA Office (10P2C1), 810 Vermont Avenue, Washington DC 20420 for a response. We are asking VHA to provide you with a decision as soon as possible. You can contact VHA FOIA directly at the address above or via email: VHAfoia2@va.gov

Once the VHA provides you with a decision in response to your request correspondence, if you disagree with their response, you may appeal to this office.

Sincerely,

A handwritten signature in cursive script, appearing to read "Kenyatta McLeod-Poole".
